About Us:

Our OSHC is a fun place to be!

Our Staff:

Most of the staff at St Therese's OSHC have been at the Centre a long time. They have been witness to the "growing up" of children. These children attend OSHC as preschoolers and continue to attend our Centre through their growing years. Some return to say "hello" to us through their years of High School. This speaks volumes for the care and nurturing our staff provides to each child and the strong commitment they have to their work.

Our Children:

Our children enjoy the fabulous resources we have at their disposal. They have the freedom to make choices of planned or unstructured activities or create their own play environment with the support of staff.

Our children absolutely love their afternoon tea - sometimes checking in at Before School Care to establish what we are serving in the afternoon!

We gaze from the sidelines as friendships are formed and endure the test of time.

They come to us for hugs, for reassurance, for comfort, for security, for encouragement and sometimes just to share a joke and a laugh.

Our Centre:

We embrace and respect cultural diversity and endorse a mutually favorable partnership with all our families and the wider community.

Drop in - pay us a visit.

We would be happy to chat with you and answer any queries you may have.
