<b>Parish Priest:</b>	Fr Tony Lumukso
<b>Parish Number:</b>	07 4065 2128

**About Us:**

Catholic Community Kindergarten Silkwood is committed to the concept of a quality learning environment, superior care and developmentally appropriate activities and play experiences. The Kindy is located in the heart of the Southern Deanery on the Cassowary Coast. It is geographically placed in between the larger towns of Mission Beach, Tully and Innisfail. Our Kindy is fully affiliated with Catholic Early Learning and Care (Diocese of Cairns).

Our philosophy reflects the three-way partnership between parents, children and teachers and recognises that parents are the first and most important educators of their children. We aim to prepare each child for a seamless transition between Kindergarten and Prep. Staff recognise that the children in our care are our future.

The program at Catholic Community Kindergarten Silkwood is designed to develop and enhance your child's physical, emotional, intellectual, spiritual, creative and social development. Staff seek to provide a safe environment where children have the potential to grow at their own pace. They encourage each child's independence and self-discipline while maintaining meaningful relationships with each child and their parents. Children have the opportunity to learn through play, exploration and hands on experiences. The best learning takes place in a happy environment.
