About Us:

St Augustine's OSHC is located in the picturesque town of Mossman and has children attending from Port Douglas north through to Wonga Beach. We are a small service providing care for up to 45 children. Our staff have been with the service for a number of years and have established a great relationship with the local community. We share a vibrant energy and dedication to primary education and care.

The children enjoy a range of activities designed to enhance their journey through childhood. With the guidance of our staff they can choose from the various outdoor activities or access our indoor resources. Our indoor activities include arts and craft, board and computer games, dramatic play and dance. Local qualified coaches also deliver sporting sessions as part of the Active After School Care program. Our Vacation Care includes excursions to the movies, bowling and other local attractions. Popular activities during the holidays are wet and messy day and riding our vacation care horses and ponies.

If you require further information please do not hesitate to call us at our service.

We look forward to hearing from you soon.
